Welcome Highlanders Families-

We are excited to welcome you to the 2021-22 school year! Many things have changed over the summer (some big and some small), but all with a common theme in mind: to bring our school back to a sense of normalcy while boosting engagement to brand new heights!

Boosters are on a mission to “Be EPIC” by re-engaging with our community through 4 simple words: Empower, Prepare, Inspire and Connect. This year, we strive to support Incline High School staff and students on their journey to “Be Ridiculously Excellent”. This will take a lot of support, but that is why we exist!

It takes a Village to build a Highlander and you are an integral part of this journey. Incline High’s quest from one of the top schools in Nevada to the #1 High School in the Nation is no easy task, but with this Village behind us- we can move mountains! We believe that we are in the right place at the right time to be EPIC and we look forward to your continued support.

At the end of last year, a small Executive Board was elected, but we are expanding! There are many opportunities to engage and support our students this year, either as an executive board member or committee volunteer. There is no better way to get involved and be in the know, than joining boosters. In short, there’s no better way to be EPIC!
