

Booster Bonanza

Empower. Prepare. Inspire. Connect.

A bumpy start to the school-year, but we've reached our cruising altitude.

By: Nicolle Larson, President

Pandemic, fires, and smoke- oh my! An abundance of challenges were faced within the first weeks of school, but it seems that we've leveled off and have reached our cruising altitude. Due to this, our first booster member meetings have been cancelled. The Board and I hope this monthly newsletter helps to bridge the communication gap lost from not meeting! If you haven't already heard, Boosters are on a mission to "Be EPIC" by re-engaging with our community through 4 simple words: Empower, Prepare, Inspire and Connect, and this year, we strive to support Incline High School staff and students on their journey to "Be Ridiculously Excellent". Our main focus is on bridging the funding gaps between WCSD and the needs of Incline High School. With such a generous community, I'm confident that we are going to do incredible things this year on our journey from #1 High School in State to #1 High School in the Nation! Thank you for being a part of our journey to the top!

Thank you to our Champions and Partners!

It takes a village to build a Highlander and Boosters are fortunate to have amazing champions and community partners walking alongside us on our journey to the top!

When staff returned to the building in August, they were faced with 6 inoperable Active Boards; however, within the first few weeks of school (thanks to two Champion sponsors), we have secured over \$44,000 in direct donations and have purchased 7 NEW Active Boards. These new active boards are wireless and mobile and can be moved throughout the school. Thank you for your continued commitment to the staff and students of Incline High School!

We'd also like to thank Bertie's Hot Chicken for providing our amazing staff dinner on back to school night! You're "clucking" amazing!

Our Community Partners mean the world to us and deserve our membership's support! Please join and help them support education, on multiple levels, throughout our community.

If you have yet to meet her, put it on your "to do" list. She's amazingly talented, witty, and our student's biggest fan! In future newsletters, we will have a CAHILL'S CORNER where Ms. Cahill will be sharing information, updates and news! Until then...seek her out, give her a hug, and thank her! Incline High School is lucky to have such talent at our helm!
