Incline High School Families,

Being the best school, we can possibly be is very important to us. We want our students to have a deeply rich and rewarding academic and social experience at Incline High School. We know our students have different goals, hopes and dreams. And while it is difficult to be all things to all people, our students deserve our very best effort.

This week Ms. Cahill is taking three of our teachers: Mrs. Taves, Mr. Nolan, and Ms. Porras to San Diego to visit the San Diego Met HS and learn more about how to run a highly successful advisory to meet the needs of all students. Our team will share what we learned in our next issue.

This is the second year in a row that Forbes Magazine's 30 under 30 illustrious list has recognized an I.H.S. graduate! Congratulations Jack Miller, class of 2014!!

Please welcome our new Music teacher Mr. Nick Bentz. Mr. Bentz comes to us from Reno High School where he just finished his internship. Here's a quick introduction from Mr. Bentz:

*Hi! My name is Nick Bentz, and I am so excited to be joining the staff here at Incline High School as the music teacher. I am originally from Salt Lake City but have moved several times over the years, having lived in Reno for the last 2. I recently received my Master of Music in Jazz Performance from UNR this last Spring and will be receiving a Professional Certificate in Secondary Education in December. I graduated from UNLV in 2020 with my Bachelor of Music in Jazz and Commercial Music. I play piano, and I gig regularly around the Reno area. I love making music of all kinds and am always happy when I am sitting behind a keyboard. Teaching music is one of my passions and I am always so excited to be able to share the gift of music with others. Creativity and self-expression are what I think are the most important parts of music and I am excited to be able to provide a space for the students at IHS to make music and be their most creative selves. I want to provide every opportunity for your students to be successful and happy and am looking forward to getting to know all of them and all of you. If you have any questions, please feel free to email me at [nicholas.bentz@washoeschools.net](mailto:nicholas.bentz@washoeschools.net). I would be more than happy to set up a time to meet, chat, and get to know each other.*

We have hired a new Family Graduation Advocate, Silvia Ambriz Hurtado. Silvia was with us for several years and is returning via Las Vegas. We are so happy to have her return to Incline Village. Please warmly welcome her when you see her. She's truly a highly impactful staff member!!!

Study Club (think free tutoring) continues to be available on Tuesday & Thursday from 2:30 – 4:30 p.m. in the Career Center. This free academic support is paid for by a grant we received from the federal government. We have our own teachers from the Math, English, Social Studies, and Science departments here. We've found having our own teachers tutor is a huge advantage for student success. Any student with a grade below a C should be at Study Club to make up tests, quizzes or access the tutoring that's available to all.

You can now order IHS Spirit Wear online and pick it up in the school office!

As winter has graced our mountains early this year, please be sure to call the [Snow Phone](#) if you are wondering if there will be a delayed start or any other important messages. The line should be updated by 5:30 a.m. 775-337-7509

Have a wonderful week everyone! We're looking forward to seeing all our Highlanders bright and early tomorrow. 😊

### **WUE: Western Undergraduate Exchange.**

The goal is to provide affordable options for students wanting to attend college out of their home state. WUE (pronounced “woo-wee”) is the Western Undergraduate Exchange, and it is coordinated by WICHE. WUE is a regional tuition-reciprocity agreement that enables students from WICHE states to enroll in more than 150 participating two- and four-year public institutions at 150 percent of the enrolling institution’s resident tuition. WUE is the largest program of its kind in the nation, and has been in operation since 1987! WUE is not a short-term exchange—it is meant to be used for a full degree.

## WHAT DO I HAVE TO DO IN HIGH SCHOOL TO QUALIFY?

Students in Graduating Classes of 2017 & later\*  
will be eligible when all of the following conditions are met:

### FIRST

You must graduate with a diploma from a Nevada public or private high school\*\*

### GPA

You must finish high school with an overall 3.25 GPA for all coursework, or receive a qualified score on a college entrance examination.\*\*\*

Finally, you must have completed the minimum core curriculum requirements:

HIGH SCHOOL COURSES	UNITS
English	4
Math (including Algebra II <u>or higher</u> )	4
Natural Science	3
Social Science and History	3
<b>TOTAL</b>	<b>14</b>

### RESIDENCE

You must have been a resident of Nevada for at least two of your high school years.

For the class of 2016 and beyond, the Nevada Board of Regents established the minimum score as follows:

- ⚡ SAT
  - Students who take the SAT before March 2016 must obtain a combined reading and math score of 990 or higher.
  - Students who take the SAT after March 2016 must obtain a combined reading, writing and math score of 1070 or higher.
- ⚡ ACT
  - Students must obtain a combined score of 21 or higher.

All requirements for the scholarship are outlined in both Nevada Revised Statutes Chapter 396 and the NSHE Board of Regents Handbook and Procedures and Guidelines. Access to these documents can be found on-line at NVGGMS.gov.

\*This information is subject to any changes in State law, policies adopted by the NSHE Board of Regents, availability of funding, and any related matters thereto.

\*\*Please contact the Millennium Scholarship office regarding the eligibility criteria for students who did not graduate from a Nevada public or private high school.

\*\*\*A qualified SAT/ACT score only replaces a GPA below 3.25. Students are still required to meet the other requirements.

## MAINTAIN ELIGIBILITY

- To receive the benefits of the Millennium Scholarship Program, you must enroll in an eligible institution of higher education in Nevada.
- It is important to remember receiving a Millennium Scholarship does not guarantee your admission to any institution.

After your admission to an eligible institution, you must meet the following requirements to receive and maintain the benefits of the scholarship:

- Enroll each semester in a minimum of 9 credits at a NSHE community college or 12 credits at any other eligible institutions.
- You must enroll in a program of study leading to a recognized associate degree, baccalaureate degree, or pre-baccalaureate certificate.
- You must maintain a 2.60 semester GPA for each semester until you complete a total of 30 credits. Starting in the semester in which you earn 30 or more credits, you must maintain a 2.75 GPA each semester you receive Millennium funds.

If you fail to meet the minimum requirements in any semester in which you receive funding, you will receive a strike and your scholarship will be suspended. Eligibility for the Millennium Scholarship can be regained only once by meeting all of the requirements listed above in a subsequent semester. Losing eligibility a second time will permanently remove you from the program.

## FAQ'S

### 1. What is the dollar value of the scholarship?

The Millennium Scholarship is a maximum \$10,000 award paid on a per-credit hour basis, up to 15 credits each semester. Millennium Scholars at a NSHE community college will receive \$40 per credit hour. Students at a NSHE state college will receive \$60 per credit hour. Millennium Scholars at all other eligible institutions will receive \$80 per enrolled credit hour.

### 2. Will the Millennium Scholarship pay for all my classes?

The Millennium Scholarship will NOT pay for remedial or graduate courses. NSHE defines remedial as any class with a course number less than 100.

### 3. Do I have to notify the Millennium Scholarship Office if I switch institutions?

No, you don't have to notify our office that you are changing schools. However, please make sure you declare a major at your new institution and follow up with the financial aid office.

### 4. What do I have to do if I'm taking classes at two eligible institutions?

If you are enrolled at two institutions and wish to receive funds at both institutions, you must submit a "Co-Enrollment Form" which can be found at [nvggms.gov](http://nvggms.gov) under "Forms and Documents". A *co-enrolled student must be enrolled in at least 12 credits between both institutions and may only be funded for a total of 15 credits. Credits taken at the host institution must meet degree requirements at students home institution.*

### 5. Can I use my Millennium Scholarship funds for books or other educational purposes?

Yes, but only under certain circumstances. If you are receiving other financial aid, your institution may provide the remaining value of your Millennium Scholarship award in a residual check. These funds may be used for other educational purposes such as registration fees, required textbooks, and other costs related to attendance at your eligible institution.

### 6. Will I lose my scholarship if I drop one of my classes?

Any semester in which you receive funding from the scholarship, you must always finish the term meeting all the minimum requirements. For example, if you are at a university and drop to 9 credits, you will lose your scholarship. At a community college, if you drop to 9 credits you are still meeting the minimum requirements for that institution, so you wouldn't lose your scholarship.

## LEGISLATIVE CHANGES

To be eligible to receive funds, students must be enrolled in at least nine semester credit hours at a community college.

This bill also allows students to receive funds up to a maximum of 15 credits at all institutions.

### **Scholarships:**

Hundreds of additional scholarships are available online. **NEVER PAY FOR SCHOLARSHIP INFORMATION.** Be aware that many internet scholarship search sites pass along (and profit off of) the sale of your personal information to other companies. If you choose to utilize national search sites then use those that allow you to manage your privacy settings (like College Greenlight). Read the privacy policies closely.

All scholarships posted at Incline will be posted in our SENIOR CLASS OF 2022 in TEAMS.

### **TIPS:**

- **NEVER** pay for scholarship applications or fees.
- Make sure all pages you submit are typed, NEAT, well edited, and that all the information you include is true and verifiable.
- Always try and beat the deadline posted.
- National scholarships can involve BIG money; however, they are very difficult to get. Go LOCAL if you can. Look for local stores, businesses, or perhaps your parent(s) employer may offer scholarship
- Try to submit applications at least one week before the due date. Online servers can get overloaded and stop working properly when everyone submits them on the last day. In addition, remember to account for delivery time if mailing an application.
- NEVER NEVER pay to submit a scholarship application.
- Always spell check and proof-read applications.
- Make sure you have submitted everything requested and answered all the questions.
- Don't submit anything that isn't asked for and stay under the required word count.
- Photocopy everything before you submit it in case your application gets lost and needs to be re-submitted.
- Professionalize your online presence, remove potentially embarrassing content from social media. Use an appropriate email address.
- Gather information early. Most scholarships require various versions of:
  - Community service activities, hours, location, services
  - Personal Essay
  - Letters of recommendations

- Resume with test scores, honors classes, and awards received

## **COVID**

Please continue to use the District's COVID self-screener ([the screening tool](#)) every day before leaving for school and be vigilant about handwashing and other measures to keep yourself safe throughout the day. This past week we had 2 positive COVID cases. Although we are no longer excluding students and adults who may have been in close contact with an individual having COVID, in a school setting exposure is always a possibility. If you or your child is experiencing any symptoms outlined on the self-screener, please follow those directions closely. Additional guidance regarding what to do if you are ill or if you have been in close contact can be found here ([this webpage](#)).

Por favor, continúe usando la autoevaluación de detección de COVID del distrito ([la herramienta de detección](#)) diariamente antes de salir a la escuela y esté atento al lavado de manos y otras medidas para mantenerse seguro durante el día. Esta semana pasada tuvimos 2 caso positivos de COVID. A pesar de que ya no excluimos a los estudiantes y adultos que puedan haber estado en contacto cercano con una persona con COVID, en un entorno escolar la exposición es siempre una posibilidad. Si usted o su estudiante están experimentando alguno de los síntomas que se indican en la autoevaluación, por favor, siga las instrucciones de cerca. Orientación adicional sobre lo que debe de hacer si usted está enfermo o si ha estado en contacto cercano, está aquí ([esta página web](#)).
