Incline High School Families,

Congratulations to our fabulous We the People team. They placed 3rd in the State competition this weekend in Las Vegas. Our Unit 5 team took first place honors. Please be sure to congratulate all 19 constitutional scholars and their amazing teachers that have supported them all year in preparation for competition: Mr. Hyams, Mrs. Foehl, and Mrs. Henderson. We have so many remarkable community/alumni coaches, it's unbelievable, they're our secret weapon for sure. Our parents are so supportive this program thrives because of the love and support our parents provide. Thank you all!!!!

Congratulations to Ivy Batmale, Dayanara Chicas Medina, and Barbara Modesto Herrera for representing all WCSD students at the State of Education event on Thursday, Feb. 2nd. Our data ambassadors explained student climate survey data to guests as they toured Marce Herz MS before the event. Ivy introduced our new superintendent; Dr. Enfield at the State of Education event and Ivy was awarded the first student in the district to receive the superintendent's Student of Excellence Award.

Mr. Shoda, Ms. Carney, and Ms. Cahill met with Chef Kubler, Agustina Arena (HR) and Michael Murphy (GM) from the Hyatt to discuss internship opportunities for our students. The Hyatt is very excited to partner with I.H.S. and provide paid internships and opportunities in many different departments to help students explore their interests. There will be a hiring fair here at I.H.S. on March 15th from 12:00 -3:00 to fill summertime positions. Interested students will interview and possibly receive a written offer on the spot. Should students be hired into these internship positions, they will then attend Hyatt University training on the next consecutive weekends.

We are grateful to our friends at Diamond Peak. DP is happy to host a number of interns on Early Release Wednesdays. DP sends a bus for our students that need transportation to participate. These wonderful students are helping to run the Boys and Girls Club Ski School at Diamond Peak. This has been a terrific partnership. Students learn employability skills and earn a paycheck while giving back to the community.

Our Speaker's Series had an exciting kickoff! Thank you to our visitors Lisa Carney - Entertainment Retoucher, and Jesús Ramirez - YouTube Photoshop Trainer & Retoucher (Jesús has nearly 2 MILLION followers) for visiting IHS and talking about careers in Photoshop! I think most students were excited to learn a top Photoshop retoucher can earn around \$175 an hour or \$400,000 a year!

Nevada state law only has 2 types of attendance: Exempt and Non-Exempt. "Exempt" means the school received documentation from a medical, mental or behavioral health professional. All other absences are "non-exempt." Infinite Campus uses the words "excused" for "exempt" and "unexcused" for "non-exempt." We ask that families still call in their students for any absences so we can document the reasons for the absence.

ASVAB Testing: Career Exploration Program and Planning Tools. This assessment will provide information about careers that align with skills and interests. This is a free opportunity for all sophomores on Feb. 28th.

IHS Study Club: Available on Tuesday & Thursday from 2:30 – 4:30 p.m. in the Career Center. This free academic support is paid for by a grant we received from the federal government. We have our own teachers from the Math, English, Social Studies, and Science departments here. We've found having our own teachers tutor is a huge advantage for student success.

Any student with a grade below a C should be at Study Club to make up tests, quizzes or access the tutoring that's available to all.

Incline Seniors & families

It is that time of year to focus on SCHOLARSHIPS! Please take a moment to look at our [website](#) for scholarship tips and lists of open scholarships. Many scholarships (with links) are listed along with brief descriptions and due dates. A link is also provided to search for more Nevada scholarships at the bottom of the page. Students can also visit the Career Center (room 208) for this information as well.

Seniors should also prepare for our upcoming information session on how to apply for Incline High School Scholarships on January 31st at 2:00pm in the Duffield Theatre. Seniors will get information on how to apply, what documents are required, and timelines. A link to the Incline Scholarships will also be available February 1st through the deadline of March 3rd.

Seniors who have applied to UNR should also plan to complete the UNR Scholarship tasks by February 15th. Information for that application can be found in their UNR correspondence, or on the UNR website, or in the Career Center.

COVID

Please continue to use the District's COVID self-screener (the screening tool) every day before leaving for school and be vigilant about handwashing and other measures to keep yourself safe throughout the day. This past week we had **several positive** COVID cases. Although we are no longer excluding students and adults who may have been in close contact with an individual having COVID, in a school setting exposure is always a possibility. If you or your child is experiencing any symptoms outlined on the self-screener, please follow those directions closely. Additional guidance regarding what to do if you are ill or if you have been in close contact can be found here (this webpage).

Por favor, continúe usando la autoevaluación de detección de COVID del distrito (la herramienta de detección) diariamente antes de salir a la escuela y esté atento al lavado de manos y otras medidas para mantenerse seguro durante el día. Esta semana pasada tuvimos 2 caso positivos de COVID. A pesar de que ya no excluimos a los estudiantes y adultos que puedan haber estado en contacto cercano con una persona con COVID, en un entorno escolar la exposición es siempre una posibilidad. Si usted o su estudiante están experimentando alguno de los síntomas que se indican en la autoevaluación, por favor, siga las instrucciones de cerca. Orientación adicional sobre lo que debe de hacer si usted está enfermo o si ha estado en contacto cercano, está aquí (esta página web).

School Performance Plan Goals:

School Adult Learning Culture Goal: Increase belonging and support students by having one teacher to be their advisor for all four years. Students chose their advisor they had a good relationship with. Advisors will know students' hopes and dreams, goals, family, assist them with academics, goal setting, and finding an internship in their area of interest. This will improve our Climate Data in Adult Support, Adult Respect and Student Respect by 5% to: Adult Support 71% to 76%, Adult Respect 68% to 73%, and Student Respect 67% to 72%.

School Student Success Goal: By June of 2023, the academic achievement (ELA, Math, Science) will increase by 5% for all special populations (ELA: Hispanic 13% to 18%, FRL 25% to 30%, IEP 6% to 11%, EL NA; Science: Hispanic 14% to 19%, FRL 25% to 30%, EL 14% to 19%, IEP 21% to 26%, White 41 to 46%; Math: 8% to 13%, FRL 14% to 19%, IEP 12% to 17%, EL NA, White 43% to 48%)

School Connectedness Goal: By June of 2023, Incline HS will improve student relationships by 5% points from 73% to 78% by creating a diverse student voice group and through relationship building, and SEL activities in Advisory.

AB 219 Corrective Action Plan: The School Performance Plan is designed to analyze data that is relevant to all student achievement, including our EL students. The following information is in addition to and supplemental to the 3 Inquiry Areas and Equity Supports surrounding the EL population. Root causes were determined based on data to drive school improvement and shrink the achievement gap for our special populations with special attention to AB 219 and the EL population.

Data Reviewed: Incline students identified as English Learners (greater than 10) were rank ordered in calculated pool proficiency rates within the Nevada School Performance Framework (NSPF) and as determined, the EL pooled proficiency rates corresponded to the lowest 30 percent of achievement for not scoring in the proficient range on the ACT ELA and Math proficiency of EL students statewide. Pool Proficiency is defined as: $(\#ELA \text{ proficient} + \#Math \text{ proficient}) / (\#ELA \text{ assessed} + \#Math \text{ assessed})$ and for HS schools were identified if they had an EL pooled proficiency rate equal to or less than 0.46%.

BIG Reports reviewed as well as an ELD specialized report for Incline HS.

Problem Statement: The English Learners in the pool proficiency group are scoring equal to or less than 0.46% in ELA and Math on the ACT.

Critical Root Causes: Need for backwards design in lesson planning to the ACT and proper support and course placement in courses that will support grade level proficiency, Academic Language, Reading, Writing, and Math.

Goal: The average composite of Long-Term ELs will improve by a minimum of 0.5% in ELA and Math on the ACT.

Improvement Strategy: Implementation of language acquisition strategies through ELLevations.

Action Steps:

- Dept. of ELD whole staff training on ELLevations Platform (1/9/23)
- Schedule additional ELLevations module/s training from ELD Department to build staff capacity
- Hired EL staff with intention of building capacity of all staff
- Strategic placement for support and acceleration in Academic Language, and ELA & Math proficiency
- Coaching and support around high leverage instructional strategies
- Deep data dive to identify skills focus for each student and roll out to PLCs
- Goal session with each student
- Bi-lingual Freshmen/Sophomore Parent Information Nights to explain WIDA scores and how why the ACT is important
- Professional Learning on Language Acquisition, Academic Language and Language Objectives
- Creation of Heritage EL class for targeted intensive support with freshmen and sophomores
- Language focus during informal and formal observations and teacher post-observation reflection conversations
- Creation of Co-taught English with specific language goals and ACT prep
