Incline High School Families,

I would like to express my gratitude to Officer Cambra and the Washoe Sheriff's Department for their presence at our school on Friday. Their support was much appreciated as many of us were understandably anxious due to threats on social media. Although the threats were not directed at our school, they were still unsettling and frustrating.

This week marks the continuation of AP Testing (May 1st – 12th), College Board offers these [6 Tips](#) or tactics that will help you be successful and build confidence. [5/1 – 5/11 AP Testing Schedule here.](#)

Additionally, State End of Course Exams in Science classes are scheduled for May 11th & 12th.

We would like to request your assistance in gathering pictures of the senior class throughout their K-12 years for the Farewell Assembly on 6/2. Please email any pictures you have to Inclineyearbook@gmail.com.

As the weather warms up and spring fever sets in, please remind your students to review and adhere to our dress code, policy for cell phone & other electronic devices, and the tardy policy. For more information on school policies, please visit the [School Policies page](#).

Lastly, our Booster Representative, Dana Greer, is asking for assistance with Staff Appreciation Week. If you would like to contribute, please drop off any checks or gift cards at the front office by Friday, May 19th.

Thank you for your attention to these important matters.

Sincerely,

Ms. Cahill
Principal, Incline HS
