Incline High School Families,

We hope you had a wonderful weekend, and we want to extend a special Mother's Day greeting to all the Highlander Moms out there!

As we approach the end of the school year, May brings a flurry of activities and events. With the weather getting warmer and graduation on the horizon, it's important to address the potential risks associated with celebratory gatherings. To ensure the safety of our students, we have arranged for WCSO Deputies to visit our school and provide valuable insights on staying safe and making responsible decisions during this time.

Please stay tuned for any updates or changes to the scheduled events as we move forward through this busy month. We're thrilled to share that our talented athletes recently participated in the Northern Nevada Regionals, and many of them have qualified for the State Championship competitions. Stay informed about their progress and achievements by checking out the latest sporting updates here.

Additionally, we would like to draw your attention to an important request from our Booster Representative, Dana Greer. She is organizing Staff Appreciation Week for the week of 5/22-26 and is seeking assistance from our supportive community. If you would like to contribute, please consider dropping off checks or gift cards at the front office by Friday, May 19th. You can also help by signing up on the Sign Up Genius, [here](#).

Thank you for your attention to these significant matters. By working together, we can ensure the well-being of our students and create a positive and memorable end to this school year.

Best regards,

Ms. Cahill
Principal, Incline HS

From Ms. Barb: We are in need of "recycled" green graduation caps/gowns for several seniors in need. Please bring into the I.H.S. office and see Barbara/Bookkeeper. Thank you!
