Monday, 9/18 Class Add/Drop

Deadline: Mark your calendars, as the 20th day of school falls on Monday, September 18th. It's also the last day to add or drop a class. Please consider any necessary schedule adjustments and consult with your counselor before this crucial deadline.

🤝 Community and Compassion

Our strength lies in our unity and our ability to look out for one another. I encourage all Highlanders to shine by embodying integrity, humanity, and scholarship. Let's create a culture where everyone feels supported and valued.

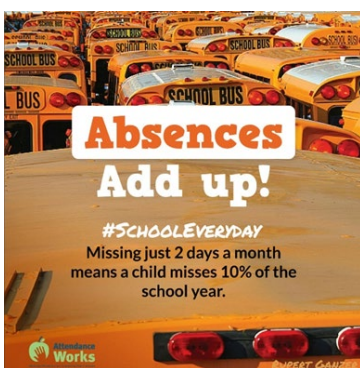

📚 Academic Support

We are adapting to provide the best support for our students, even with the discontinuation of ESSER funds for after-school tutoring. Now, we are offering targeted support during Advisory hours. Reach out to your child's Advisor for more details.

📵 No Phones/Ear Buds Policy

Thank you for supporting our policy to keep classrooms distraction-free. Together, we are fostering an environment conducive to learning.

ATTENDANCE MATTERS! Missing just 2 days a month means a child misses 10% of the school year. At 10% a student is designated as Chronically Absent. No worksheet can make up for what a child misses in class.

Direct instruction is important to the success of every child. Note that attendance will be a crucial factor in our star rating this year. Let's work together to minimize absences and keep our rating high.
